## Mayor Pays Warm Tribute to Police for Loyalty to Duty. (By Associated Press.) PHILADELPHIA, PA., November 8.-

THILADELPHIA, PA, November 8.—
There was a great demonstration at the Mayor's office to-day by the victorious city party leaders and others. Scores of leaders and hundreds of workers of the reform organization, who had assembled at city party headquarters to offer congratulations to the successful candidates, formed in line, and, headed by two brass bands, marched through the streets to the City Hall. In the line were some of Philadelphia's best known citizens. The men marched into Mayor Weaver's large reception room and cheered him while they hands played patriotic airs. Mayor Weaver was lifted upon a table and made a stirring speech, in which he paid a warm tribute to the police for their loyalty to duty. He gave the people credit for the victory, and said it was the cleanest election had in Philadelphia in many years.

Democrats Have Working Majority of Ohio Legislature. (By Associated Press.)

COLUMBUS, OHIO, November 8,-That John M. Pattison, Democrat, of Cincin nati, has been elected Governor of Ohio nat, has been elected Governor of Onlo for three years by a plurality running above 40,000 over Governor Myron T. Herrick, of Cleveland, Republican, is settled to-night, as also is the Demo-cratte working majority in both houses of the legislature, but there is still some uncertainty as to the rest of the State ticket.

Earlier returns were apparently from sections favorable to Governor Herrick, for he held a lead over the remainder of the Republican ticket until to-day, when fuller returns from county regions cut into Herrick's, yote severely, and by the middle of this afternoon, Herrick seemed to be 40,000 votes behind the rest of the Republican ticket. If that difference stands the victory for offices other than Governor will depend on the size of Pattison's plurality, with the chances in favor of the choice of the entire Democratic roster.

Chairman—Garber, of the Democratic committee to-night figured pluralities for Pattison that aggregated close to 55,000—If these figures hold true, the entire Democratic ticket is elected. The Republicans have given out no later estimates than that of Chairman Dick, conceding the election of Pattison by \$5,00 plurality.
